Emergency Response Protocol

Steps

Formats ▾ **B** *I* U A ▾   *Ix*

- Call the G7 device for the demo.
- If you do not connect try two more times.
- After three attempts document notes and resolve alert as demo/training.

Script

"Blackline Safety we have received a _____ alert. Are you okay?

Can I confirm who I am speaking with?

I will go ahead and resolve the alert. Is there anything else I can do for you?

Thank you and have a good day."

Emergency Response Contacts

These are contacts who are referred to in the Emergency Response Protocol. Their information must be entered in the Address Book in order to assign them to this profile.
